Dear <XXX>,

Cornell Law School enjoys a strong present and will continue to flourish in the future thanks to you. Why? Because you are one of the essential people who support the Cornell Law School Annual Fund. And when you make your next gift, I assure you that Cornell Law, in Ithaca and beyond, will only get stronger.

The numbers – or “strength in numbers” as we like to say – vividly illustrate what you and others have already accomplished through your giving. Following are just a few of those numbers, and they are truly impressive.

In 2015, you and others gave nearly \$2.4 million to the Law School Annual Fund, a 17% increase. This collective support helped Law School students like never before. Three out of every four students received financial aid – and it was substantial, averaging \$24,500 per student. More and more students studied or worked abroad, took clinical courses and participated in externships. Your support also helped launch innovative programs such as Master of Laws (LLM) in Law Technology and Entrepreneurship at Cornell Tech. Now, I invite you to help build more momentum.

Please send your annual gift today. It only takes a moment to make another significant impact. Choose one of three easy ways to give on the enclosed response card.

Thank you very much for doing your part to make Cornell Law School stronger in 2016. I am thrilled to join with you and others whose generosity is advancing Cornell Law and producing more exceptional students and lawyers.

Sincerely,

David J. Furman, JD '86
Chair, Cornell Law School Annual Fund

P.S. Did you know Cornell Law School has the highest Bar-pass rate in New York state and the second highest job placement rate in the nation? I urge you to salute and support these noteworthy achievements by making your next gift today.
